SUMMARY

Full-Stack & Mobile App Developer with a strong focus on building real-world, user-centric applications. Experienced in Flutter for mobile app development and creating clean, modern UI/UX experiences. Proficient in backend development using Node.js, Express, REST APIs, and authentication systems.

Recently completed **Famity**, a private family-focused application designed to securely preserve memories such as photos, voice recordings, and stories. Hands-on experience across the full product lifecycle including UI/UX design, mobile development, backend integration, and deployment.

Actively seeking opportunities as a Software Trainee, Flutter Developer, or Mobile App Developer where I can contribute to impactful products while growing as a developer.

SKILLS SUMMARY

- **Mobile Development:** Flutter, Dart, Android Fundamentals
- **Backend Development:** Node.js, Express.js, REST APIs, Authentication
- **Databases:** MongoDB, Supabase, Firebase
- **Tools:** Git, GitHub, Postman, VS Code
- **UI/UX:** Modern UI Design, Glassmorphism, Responsive Layouts
- **Soft Skills:** Problem Solving, Communication, Self-Learning, Team Collaboration

PROJECTS

- **Famity – Family Memory Preservation App (Flutter, Supabase):** Designed and developed a private mobile application for families to securely store and preserve photos, voice recordings, videos, and stories. Implemented authentication, family-based access control, real-time features, and a modern glass-style UI. Managed end-to-end development including UI/UX design, backend integration, and deployment.
- **Flutter UI Components & Practice Applications:** Built multiple Flutter UI components and small-scale applications to strengthen skills in state management, navigation, and responsive layouts. Focused on clean architecture, reusable widgets, and performance optimization.

EXPERIENCE

- **HRHNext Services Limited** Hyderabad, Telangana, India
Customer Service Agent – IRCTC e-Ticketing Process *June 2025 - October 2025*
 - **Customer Support:** Handled front-line customer support for IRCTC e-ticketing services, resolving passenger queries efficiently.
 - **Communication:** Developed strong communication, multitasking, and problem-solving skills while managing high-volume customer interactions.

EDUCATION

- **Academy of Business Administration** Odisha, India
Bachelor of Computer Application (BCA) *January 2022 - April 2025*

CERTIFICATIONS

- **Deloitte Australia – Data Analytics Job Simulation:** Forage Platform
- **Introduction to Android Mobile Application Development:** Online Certification
